## Eyes of the World

Right outside this lazy summer home

You ain't got time to call your soul a critic no.

Right outside the lazy gate of winter's summer home,

Wond'rin' where the nut-thatch winters,

Wings a mile long just carried the bird away.

Wake up to find out that you are the eyes of the world,

The heart has it's beaches, it's homeland and thoughts of it's own.

Wake now, discover that you are the song that the mornin' brings,

But the heart has it's seasons, it's evenin's and songs of it's own.

There comes a redeemer, and he slowly too fades away,

And there follows his wagon behind him that's loaded with clay.

And the seeds that were silent all burst into bloom, and decay,

And night comes so quiet, it's close on the heels of the day.

Wake up to find out that you are the eyes of the world,

The heart has it's beaches, it's homeland and thoughts of it's own.

Wake now, discover that you are the song that the mornin' brings,

But the heart has it's seasons, it's evenin's and songs of it's own.

Sometimes we live no particular way but our own,

And sometimes we visit your country and live in your home,

Sometimes we ride on your horses, sometimes we walk alone,

Sometimes the songs that we hear are just songs of our own.

Wake up to find out that you are the eyes of the world,

The heart has it's beaches, it's homeland and thoughts of it's own.

Wake now, discover that you are the song that the mornin' brings,

But the heart has it's seasons, it's evenin's and songs of it's own

## I Go To Sleep (The Pretenders Cover / Lady Croissant LP)

When I look up from my pillow  
I dream you are there with me  
Though you are far away  
I know you'll always be near to me  
I go to sleep And imagine that you're there with me  
I go to sleep  
And imagine that you're there with me  
I look around me

And feel you are ever so close to me  
Each tear that flows from my eye  
Brings back memories of you to me  
I go to sleep  
And imagine that you're there with me  
I go to sleep  
And imagine that you're there with me  
I was wrong, I will cry  
I will love you till the day I die  
You were all, you alone and no one else  
You were meant for me

When morning comes again  
I have the loneliness you left me  
Each day drags by  
Until finally my time descends on me

I go to sleep  
And imagine that you're there with me  
I go to sleep  
And imagine that you're there with me

## Watching the Cloths Go Round

Oh, saturday night  
Mmm, everyone's having fun  
I'm down at the Laundromat  
Trying to get my washing done  
Like i done before  
Time and time again  
Watching the clothes go 'round  
Another week sees its end

Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round

Oh, i've been working hard  
Mmm, trying to make some money  
"would you like sour cream  
On your potato, honey?"  
I been kissing ass  
Trying to keep it clean  
Serving the middle class  
Yeah, it's a clean routine

Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round

There go the whites  
Mmm, getting whiter  
There go the colors  
Getting brighter  
There go the delicates  
Through the final rinse  
There goes my saturday night  
Mmm, getting whiter  
There go the colors  
Getting brighter  
There go the delicates  
Through the final rinse

I go without a fight

Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round

Oh, saturday night  
Mmm, everyone's having fun  
I'm down at the laundromat  
Trying to get my washing done  
Like i done before  
Time and time again  
Watching the clothes go 'round  
Another week sees its end

Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round

Oh, i've been working hard  
Mmm, trying to make some money  
"would you like sour cream  
On your potato, honey?"  
I been kissing ass  
Trying to keep it clean  
Serving the middle class  
Yeah, it's a clean routine

Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round

There go the whites

There goes my saturday night  
I go without a fight

Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round  
Watching the clothes go 'round

## Concrete Jungle

No sun will shine in my day today; (no sun will shine)

The high yellow moon won't come out to play:

(that high yellow moon won't come out to play)

I said (darkness) darkness has covered my light,

(and the stage) and the stage my day into night, yeah.

Where is the love to be found? (oo-oooh-oooh)

Won't someone tell me?

'cause my (sweet life) life must be somewhere to be found -

(must be somewhere for me)

Instead of concrete jungle (la la-la!),

Where the living is harder (la-la!).

Concrete jungle (la la-la!):

Man you got to do your (la la-la!) best. wo-oooh, yeah.

No chains around my feet,

But i'm not free, oh-oooh!

I know i am bound here in captivity;

G'yeah, now - (never, never) i've never known happiness;

(never, never) i've never known what sweet caress is -

Still, i'll be always laughing like a clown;

Won't someone help me? 'cause i (sweet life) -

I've got to pick myself from off the ground

(must be somewhere for me), he-yeah! -

In this a concrete jungle (la la-la!):

I said, what do you cry for me (la-la!) now, o-oh!

**Concrete jungle (la la-la!), ah, won't you let me be (la la-la!), now.**

**Hey! oh, now!**

---

**/guitar solo/**

**I said that life (sweet life) - it must be somewhere to be found**

**(must be somewhere for me)**

**Oh, instead: concrete jungle (la-la!) - collusion (la-la!) -**

**Confusion (confusion). eh!**

**Concrete jungle (la-la!): baby, you've got it in.**

**Concrete jungle (la la-la!), now. eh!**

**Concrete jungle (la la-la!).**

**What do you stand(?) for me (la-la!), now? /fadeout/**

**Helpless      Neil Young**

**There is a town in north ontario,  
With dream comfort memory to spare,  
And in my mind i still need a place to go,  
All my changes were there.**

**Blue, blue windows behind the stars,  
Yellow moon on the rise,  
Big birds flying across the sky,  
Throwing shadows on our eyes.  
Leave us**

**Helpless, helpless, helpless  
Baby can you hear me now?  
The chains are locked and tied across the door,  
Baby, sing with me somehow.**

**Blue, blue windows behind the stars,  
Yellow moon on the rise,  
Big birds flying across the sky,  
Throwing shadows on our eyes.  
Leave us    Helpless, helpless, helpless.**

## Wild Horses Rolling Stones

Childhood living is easy to do

The things you wanted I bought them for you

Graceless lady you know who I am

You know I cant let you slide through my hands

Wild horses couldnt drag me away

Wild, wild horses, couldnt drag me away

I watched you suffer a dull aching pain

Now you decided to show me the same

No sweeping exits or offstage lines

Could make me feel bitter or treat you unkind

Wild horses couldnt drag me away

Wild, wild horses, couldnt drag me away

I know I dreamed you a sin and a lie

I have my freedom but I dont have much time

Faith has been broken, tears must be cried

Lets do some living after we die

Wild horses couldnt drag me away

Wild, wild horses, well ride them some day

Wild horses couldnt drag me away Wild, wild horses, well ride them  
some day

**I'd really like to stay**

**Take me to the river**

**Drop me in the water**

**Take me to the river**

**Dip me in the water**

**Wash me down, wash me down**

DAY AFTER DAY The Pretenders

WAY UP IN THE SKY

OVER THE CITY, OVER TOKYO

SILVER LIGHT, SUMMER MOON

YOU'LL BE OVER SOMEBODY'S WINTER THIS AFTERNOON

WHILE THE DOLPHINS SWIM IN THE SEA

YOU'RE GOING GREY, MY BABY

STILL THE WAR IS WAGING ENDLESSLY

DAY AFTER DAY, DAY AFTER DAY

WAY UP IN THE SKY

OVER THE CITY AND LAKE ERIE

YOU REMEMBER THE FLATS, YOU WERE THERE

OUT EVERY NIGHT MR MOONLIGHT

ROUND AND ROUND AND ROUND WE GO

JUST LIKE YESTERDAY

WAY UP IN THE SKY

OVER THE CITY WHERE YOU SLEEP TONIGHT

THE LIGHT OUTSIDE YOUR WINDOW BLINKS

"HOTEL, HOTEL, HOTEL"

OPEN THE BLIND AND DREAM IN A MOONBEAM

WHEN THE WAR'S FINALLY OVER

WE'LL MEET AGAIN

AND PICK UP WHERE WE LEFT OFF

## **MESSAGE OF LOVE**

**NOW THE REASON WE'RE HERE**

**AS MAN AND WOMAN IS TO LOVE EACH OTHER**

**TAKE CARE OF EACH OTHER**

**WHEN LOVE WALKS IN THE ROOM EVERYBODY STAND UP**

**OH IT'S GOOD, GOOD, GOOD**

**LIKE BRIGITTE BARDOT**

**NOW LOOK AT THE PEOPLE**

**IN THE STREETS, IN THE BARS**

**WE ARE ALL OF US IN THE GUTTER BUT SOME OF US ARE LOOKING AT  
THE STARS**

**LOOK ROUND THE ROOM**

**LIFE IS UNKIND, WE FALL BUT WE KEEP GETTIN' UP**

**OVER AND OVER AND OVER AND OVER AND OVER AND OVER**

**ME AND YOU, EVERY NIGHT, EVERY DAY**

**WE'LL BE TOGETHER ALWAYS THIS WAY**

**YOUR EYES ARE BLUE LIKE THE HEAVENS ABOVE**

**TALK TO ME DARLIN' WITH A MESSAGE OF LOVE**

**NOW THE REASON WE'RE HERE**

**EVERY MAN, EVERY WOMAN IS TO HELP EACH OTHER**

**STAND BY EACH OTHER**

**WHEN LOVE WALKS IN THE ROOM EVERYBODY STAND UP**

**OH IT'S GOOD, GOOD GOOD**

**SAY I LOVE YOU, I  
LOVE YOU**

**TALK TO ME DARLIN'**

## THIN LINE BETWEEN LOVE AND HATE

IT'S A THIN LINE BETWEEN LOVE AND HATE

IT'S A THIN LINE BETWEEN LOVE AND HATE

IT'S FIVE O'CLOCK IN THE MORNING

AND YOU'RE JUST GETTING IN

YOU KNOCK ON THE FRONT DOOR

AND A VOICE SWEET AND LOW SAYS

"WHO IS IT?"

SHE OPENS UP THE DOOR AND LETS YOU IN

NEVER ONCE ASKS WHERE HAVE YOU BEEN

SHE SAYS "ARE YOU HUNGRY?"

DID YOU EAT YET?

LET ME HANG UP YOUR COAT

PASS ME YOUR HAT"

ALL THE TIME SHE'S SMILING

NEVER ONCE RAISES HER VOICE

IT'S FIVE O'CLOCK IN THE MORNING

YOU DON'T GIVE IT A SECOND THOUGHT

IT'S A THIN LINE BETWEEN LOVE AND HATE

(REPEAT)

THE SWEETEST WOMAN IN THE WORLD

COULD BE THE MEANEST WOMAN IN THE WORLD

IF YOU MAKE HER THAT WAY

YOU KEEP HURTING HER

SHE'LL KEEP BEING QUIET

SHE MIGHT BE HOLDING SOMETHING INSIDE  
THAT'LL REALLY, REALLY HURT YOU ONE DAY  
I SEE HER IN THE HOSPITAL  
BANDAGED FROM FOOT TO HEAD  
IN A STATE OF SHOCK  
JUST THAT MUCH FROM BEING DEAD  
YOU COULDN'T BELIEVE THE GIRL  
WOULD DO SOMETHING LIKE THIS, HA  
YOU DIDN'T THINK THE GIRL HAD THE NERVE  
BUT HERE YOU ARE  
I GUESS ACTION SPEAKS LOUDER THAN WORDS  
IT'S A THIN LINE BETWEEN LOVE AND HATE  
(REPEAT)

## Yellow Moon, Neville Brothers

Yellow moon, yellow moon,  
why you keep peeping in my window?  
Do you know something I don't know?  
Did you see my baby  
walking down the railroad tracks?  
You can tell me if the girls  
ever coming back.

Is she hid out with another  
or is she trying to get back home?  
Is she wrapped up in some other's arms?  
Or is the girl somewhere all alone?  
Can you see if she is missing me,  
or is she having a real good time?  
Has she forgotten all about,  
or is the girl still mine all mine?

Chorus:

With your eye so big a shiney  
You can see the whole damn land  
Yellow moon can you tell me

If the girl's with another man?

Refrain:

Oh yellow moon,  
have you seen that creole woman  
You can tell me,  
Now ain't you a friend of mine.

Chorus

Refrain

**(Let's stay together)**

**I'm, I'm so in love with you**

**Whatever you want to do**

**Is alright with me**

**'Cause you make me feel, so brand new**

**And I want to spend my life with you**

**Me sayin' since, baby, since we've been together**

**Ooo, loving you forever**

**Is what I need**

**Let me, be the one you come running to**

**I'll never be untrue**

**Ooo baby**

**Let's, let's stay together**

**Loving you whether, whether**

**Times are good or bad, happy or sad**

**Oooo oooo ooo ooo, yeah**

**Whether times are good or bad, happy or sad**

**Why somebody, why people break up**

**Oh, and turn around and make up**

**I just can't seeeeeeeeee**

**You'd never do that to me**

**(Would you baby)**

**'Cause being around you is all I see**

**It's why I want us to**

**Let's, let's stay together**

**Loving you whether, whether**

**Times are good or bad, happy or sad**

**Let's, let's stay together**

**Loving you whether, whether**

## Long Ride Home

Long black limousine  
Shiniest car I've ever seen  
The back seat is nice and clean  
She rides as quiet as a dream  
Someone dug a hole six long feet in the ground  
I said goodbye to you and I threw my roses down  
Ain't nothing left at all in the end of being proud  
With me riding in a race car, and you flying through the clouds

•

I've had some time to think about you  
And watch the stone set like a stone  
I've had some time to think about you  
On the long ride home

•

One day I took your tiny hand  
Put your finger in the wedding band  
Your daddy gave a piece of land  
We laid ourselves the best of plans  
Forty years go by with someone laying in your bed  
Forty years of things you wish you'd never said  
How hard would it have been to say some kinder words instead  
I wonder as I stare up at the sky turning red

•

I've had some time to think about you  
And watch the stone set like a stone  
I've had some time to think about you  
On the long ride home

•

Headlights staring at the driveway  
The house is dark as it can be  
I go inside and all is silent  
It seems as empty as the inside of me

I've had some time to think about you  
And watch the stone set like a stone  
I've had some time to think about you  
On the long, on the long  
Oh the long, on the long  
On the long ride home

**Stolen Car Written by Bruce Springsteen**

**I met a little girl and I settled down**

**In a little house on out on the edge of town**

**We got married, swore we'd never part**

**Then little by little we drifted from eachother's hearts**

**At first I thought it was just restlessness**

**That it'd fade as time went by, and our love would heal**

**In the end it was something more, I guess**

**Tore us apart and made us real**

**I'm driving a stolen car**

**Down on Eldridge Avenue**

**Each night I wait to get caught**

**But I never doShe asked if I remembered the letters I wrote**

**When our love was young and bold**

**She said last night she read those letters**

**And they made her feel one hundred years old**

**I'm driving a stolen car**

**On a pitch black**

**And I'm telling myself**

**It's gonna be all right**

**I drive by night**

**And I travel in fear**

**That in this darkness**

**I will disappear**

**Tomorrow Night**  
Recorded by Bob Dylan

**Tomorrow night will you remember what you said tonight**

**Tomorrow night will all the thrill be gone**

**Tomorrow night will it be just another memory**

**Or just another song that's in my heart to linger on**

**Your lips are so tender, your heart is beating fast**

**And you willingly surrender to me, but darling will it last**

**Tomorrow night will you be with me when the moon is bright**

**Tomorrow night will you say those lovely things you said tonight**

**Your lips are so tender, your heart is beating fast**

**And you willingly surrender to me, but darling will it last**

**Tomorrow night will you be with me when the moon is bright**

**Tomorrow night will you say those lovely things you said tonight**

## Peter Gabriel Don't Give Up

In this proud land we grew up strong

We were wanted all along

I was taught to fight, taught to win

I never thought I could fail

No fight left or so it seems

I am a man whose dreams have all deserted

I've changed my face, I've changed my name

But no one wants you when you lose

Dont give up

cos you have friends

Dont give up

You're not beaten yet

Dont give up

I know you can make it good

Though I saw it all around

Never thought I could be affected

Thought that we'd be the last to go

It is so strange the way things turn

Keep my eyes down below

Whatever may come

Drove the night toward my home

The place that I was born, on the lakeside

As daylight broke, I saw the earth

The trees had burned down to the ground

Dont give up

You still have us

Dont give up

We dont need much of anything

Dont give up

cause somewhere there's a place

Where we belong

Rest your head

You worry too much

It's going to be alright

When times get rough

You can fall back on us

Dont give up

Please dont give up

got to walk out of here

cause I believe there's a place

There's a place where we belong

Dont give up

**And whatever may go**

**That rivers flowing**

**That rivers flowing**

**Moved on to another town**

**Tried hard to settle down**

**For every job, so many men**

**So many men no-one needs**

**Dont give up**

**cause you have friends**

**Dont give up**

**Youre not the only one**

**Dont give up**

**No reason to be ashamed**

**Dont give up**

**You still have us**

**Dont give up now**

**Were proud of who you are**

**Dont give up**

**You know its never been easy**

**Take Me With U Prince**

I can't disguise the pounding of my heart

It beats so strong

It's in your eyes what can I say

They turn me on

I don't care where we go

I don't care what we do

I don't care pretty baby

Just take me with u

Come on and touch the place in me

That's calling out your name

We want each other oh so much

Why must we play this game?

Don't care where we go

I don't care what we do

I don't care pretty baby

Just take me with u

I don't care if we spend the night at your mansion

I don't care if we spend the night on the town

All I want is 2 spend the night together

All I want is 2 spend the night in your arms

To be around u is so-oh right

You're sheer perfection (thank u)

Drive me crazy, drive me all night

Just don't break up the connection

I don't care where we go

I don't care what we do

I don't care pretty baby

Just take me with u

I don't care where we go

I don't care what we do

I don't care pretty baby

Just take me with u

Just take me with u

Oh won't u take me with u

Honey take me with u

## Prince Raspberry Beret Lyrics

1 2 1 2 3

Yeah

I was working part time in a five-and-dime

My boss was Mr. McGee

He told me several times that he didn't  
like my kind

'Cause I was a bit 2 leisurely

Seems that I was busy doing something  
close 2 nothing

But different than the day before

That's when I saw her, Ooh, I saw her

She walked in through the out door, out  
door

She wore a

Raspberry beret

The kind U find in a second hand store

Raspberry beret

And if it was warm she wouldn't wear  
much more

Raspberry beret

I think I love her

Built like she was

She had the nerve 2 ask me

If I planned 2 do her any harm

So, look here

I put her on the back of my bike

And-a we went riding

Down by old man Johnson's farm

I said now, overcast days never turned  
me on

But something about the clouds and her  
mixed

She wasn't 2 bright

But I could tell when she kissed me

She knew how 2 get her kicks

She wore a

Raspberry beret

The kind U find in a second hand store

Raspberry beret

And if it was warm she wouldn't wear  
much more

Raspberry beret

I think I love her

The rain sounds so cool when it hits the  
barn roof

And the horses wonder who U are

Thunder drowns out what the lightning  
sees

U feel like a movie star

(And if it was warm)

Listen

Where have all the raspberry women  
gone? (She wouldn't wear much more)

They say the first time ain't the greatest

Yeah (Raspberry beret)

But I tell ya

I think I... I think I... I think I love her

If I had the chance 2 do it all again

(Raspberry beret)

I wouldn't change a stroke

No No No

'Cause baby I'm the most

No No No (The kind U find)

With a girl as fine as she was then

(In a second hand store)

(Raspberry beret)

(Raspberry beret)

Tell me

The kind U find (The kind U find)

Where have all the raspberry women  
gone? (And if it was warm she)

The kind U find (In a second hand store)

(Wouldn't wear much more)

Oh no no

(Raspberry beret)

(Raspberry beret)

I think I love...

Edie Brickell & the New Bohemians - "What I Am"

I'm not aware of too many things

I know what I know, if you know what I mean

Philosophy is the talk on a cereal box

Religion is the smile on a dog

I'm not aware of too many things

I know what I know, if you know what I mean, d-doo yeah

Choke me in the shallow waters

Before I get too deep

What I am is what I am

Are you what you are or what?

What I am is what I am

Are you what you are or

Oh, I'm not aware of too many things

I know what I know, if you know what I mean

Philosophy is a walk on the slippery rocks

Religion is a light in the fog

I'm not aware of too many things

I know what I know, if you know what I mean, d-doo yeah

Choke me in the shallow water

Before I get too deep

What I am is what I am

Are you what you are or what?

What I am is what I am

Are you what you are or what?

What I am is what I am

Are you what you are or what?

What I am is what I am

Are you what you are or what you are and

What I am is what I am    Are you what you are or what?

Don't let me get too deep

Choke me in the shallow water

Before I get too deep

Choke me in the shallow water

Before I get too deep...

**Ill sing what I said**

**We come and we go**

**Thats a thing that I keep**

**In the back of my head**

**She said theres something about you**

**That really reminds me of money**

**She is the kind of a girl**

**Who could say things that**

**Werent that funny**

**I said what does that mean**

**I really remind you of money**

**She said who am i**

**To blow against the wind**

**I know what I know**

**Ill sing what I said**

## Walking in your Footsteps The Police

You walked upon the planet so  
God of all that you could see,  
Just a little bit like me  
Walking in your footsteps Walking in your footsteps  
Walking in your footsteps Walking in your footsteps

Hey, Mr. Dinosaur  
You really couldn't ask for more  
You're God's favorite creature  
But you didn't have a future  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Hey, mighty brontosaurus,  
Don't you have a lesson for us  
Thought your rule would always last,  
There were no lessons in your past  
You were built three stories high  
They say you would not hurt a fly  
If we explode the atom bomb  
Would they say that we were dumb, well  
Walking in your footsteps Walking in your footsteps  
Walking in your footsteps Walking in your footsteps

They say the meek...shall inherit the earth  
They say the meek...shall inherit the earth  
Walking in your footsteps...footsteps...footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps...footsteps...footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

## **One World (not Three)**

Words and music by Sting

One world is enough

For all of us

One world is enough

For all of us

It's a subject we rarely mention

But when we do we have this little invention

By pretending they're a different world from me

I show my responsibility

One world is enough

For all of us

One world is enough

For all of us

The third world breathes our air tomorrow

We live on the time we borrow

In our world there's no time for sorrow

In their world there is no tomorrow

One world is enough

For all of us

One world is enough

For all of us

Lines are drawn upon the world

Before we get our flags unfurled

Whichever one we pick

It's just a self deluding trick

One world is enough

For all of us

One world is enough

For all of us

I don't want to bring a sour note

Remember this before you vote

We can all sink or we all float

'Cos we're all in the same big boat

One world is enough

For all of us

It may seem a million miles away

But it gets a little closer

everyday

It may seem a million miles

away

But it gets a little closer

everyday

It may seem a million miles

away

But it gets a little closer

everyday

One world...

(etc. to fade)

High Time Greatful Dead

You told me good-bye, how was I to know  
you didn't mean good-bye, you meant please don't let me  
go?

I was having a high time, living the good life, well I  
know

The wheels are muddy, got a ton of hay,  
now listen here, Baby, 'cause I mean what I say.  
I'm having a high time, living the good life, well I  
know.

I was losing time, I had nothing to do,  
no one to fight, I came to you.  
Wheels broke down, leader won't draw,  
the line is busted, the last one I saw.  
Tomorrow come trouble, tomorrow come pain,  
now don't think too hard Baby, 'cause I know what I'm  
saying.

I could show you a high time, living the good life,  
don't be that way.

Nothing's for certain, it could always go wrong,  
Come in when it's raining, go on out when it's gone.

We could have us a high time, living the good life,  
well I know.

Don't Know Why Nora Jones

I waited 'til I saw the sun  
I don't know why I didn't come  
I left you by the house of fun  
I don't know why I didn't come  
I don't know why I didn't come

When I saw the break of day  
I wished that I could fly away  
Instead of kneeling in the sand  
Catching teardrops in my hand

My heart is drenched in wine  
But you'll be on my mind  
Forever

Out across the endless sea  
I would die in ecstasy  
But I'll be a bag of bones  
Driving down the road alone

My heart is drenched in wine  
But you'll be on my mind  
Forever

Something has to make you run  
I don't know why I didn't come  
I feel as empty as a drum  
I don't know why I didn't come  
I don't know why I didn't come  
I don't know why I didn't come

Come Away With Me    Nora Jones

Come away with me in the night  
Come away with me  
And I will write you a song

Come away with me on a bus  
Come away where they can't tempt us  
With their lies

I want to walk with you  
On a cloudy day  
In fields where the yellow grass grows knee-high  
So won't you try to come

Come away with me and we'll kiss  
On a mountaintop  
Come away with me  
And I'll never stop loving you

And I want to wake up with the rain  
Falling on a tin roof  
While I'm safe there in your arms  
So all I ask is for you  
To come away with me in the night  
Come away with me

## **Don't Pass Me By (Starkey)**

**I listen for your footsteps  
Coming up the drive  
Listen for your footsteps  
But they don't arrive  
Waiting for your knock, dear  
On my old front door  
I don't hear it  
Does it mean you don't love me any more?**

**I hear the clock are ticking  
On the mantel shelf  
See the hands are moving  
But I'm by myself  
I wonder where you are tonight  
And why I'm by myself  
I don't see you  
Does it mean you don't love me any more?**

**Don't pass me by, don't make me cry, don't make me blue  
Cause you know darling I love only you  
You'll never know it hurt me so  
How I hate to see you go  
Don't pass me by, don't make me cry, don't make me blue**

**I'm sorry that I doubted you  
I was so unfair  
You were in a car crash  
And you lost your hair  
You said that you would be late  
About an hour or two  
I said that's alright I'm waiting here  
Just waiting to hear from you**

**Don't pass me by, don't make me cry, don't make me blue  
Cause you know darling I love only you  
You'll never know it hurt me so  
How I hate to see you go  
Don't pass me by, don't make me cry**

## **Golden Slumbers (Lennon/McCartney)**

**Once there was a way to get back homeward  
Once there was a way to get back home  
Sleep pretty darling do not cry  
And I will sing a lullabye**

**Golden slumbers fill your eyes  
Smiles awake you when you rise  
Sleep pretty darling do not cry  
And I will sing a lullabye**

**Once there was a way to get back homeward  
Once there was a way to get back home  
Sleep pretty darling do not cry  
And I will sing a lullabye**

## **Let it Be (Lennon/McCartney)**

**When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom, let it be  
And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom, let it be  
Let it be, let it be Let it be, let it be  
Whisper words of wisdom, let it be**

**And when the broken hearted people  
Living in the world agree  
There will be an answer, let it be  
For though they may be parted  
There is still a chance that they will see  
There will be an answer, let it be  
Let it be, let it be Let it be, let it be  
Yeah there will be an answer, let it be  
Let it be, let it be Let it be, let it be  
Whisper words of wisdom, let it be**

**Let it be, let it be Ah let it be, yeah let it be  
Whisper words of wisdom, let it be  
And when the night is cloudy  
There is still a light that shines on me  
Shine on until tomorrow, let it be  
I wake up to the sound of music,  
Mother Mary comes to me  
Speaking words of wisdom, let it be  
Yeah let it be, let it be  
Let it be, yeah let it be  
Oh there will be an answer, let it be  
Let it be, let it be  
Let it be, yeah let it be  
Oh there will be an answer, let it be  
Let it be, let it be  
Ah let it be, yeah let it be  
Whisper words of wisdom, let it be**

# Across the Universe

(Lennon/McCartney)

Words are flowing out like endless rain into a paper cup  
They slither wildly as they slip away across the universe  
Pools of sorrow, waves of joy are drifting through my open mind  
Possessing and caressing me  
Jai Guru Deva OM

Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Images of broken light which dance before me like a million eyes  
They call me on and on across the universe  
Thoughts meander like a restless wind inside a letter box  
They tumble blindly as they make their way across the universe  
Jai Guru Deva OM

Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Sounds of laughter shades of live are ringing through my open ears  
Inciting and inviting me  
Limitless undying love which shines around me like a million suns  
It calls me on and on, across the universe  
Jai Guru Deva OM

Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

## I'll Fly away

Some glad morning when this life is o'er,  
I'll fly away;  
To a home on God's celestial shore,  
I'll fly away (I'll fly away).

[Chorus]

I'll fly away, Oh Glory  
I'll fly away; (in the morning)  
When I die, Hallelujah, by and by,  
I'll fly away (I'll fly away).

When the shadows of this life have gone,  
I'll fly away;  
Like a bird from prison bars has flown,  
I'll fly away (I'll fly away)

[Chorus]

I'll fly away, Oh Glory  
I'll fly away; (in the morning)  
When I die, Hallelujah, by and by,  
I'll fly away (I'll fly away).

Just a few more weary days and then,  
I'll fly away;  
To a land where joy shall never end,  
I'll fly away (I'll fly away)

[Chorus]

I'll fly away, Oh Glory  
I'll fly away; (in the morning)  
When I die, Hallelujah, by and by,  
I'll fly away (I'll fly away).

## Ship of fools

We're setting sail  
To the place on the map from which no one has ever returned  
Torn by the promise of the joker and the fool  
By the light of the crosses that bur-urn  
Torn by the promise of the women and the lace  
And the gold and the cotton and pearls  
It's the place where they keep all the darkness you meet  
You sail away from the light of the world  
Listen baby - you will pay tomorrow  
You're gonna pay tomorrow-ow-ow  
You will pay tomorrow-ow-ow-ow-wow-ow-ow-ow-ow-ow  
Save me, save me from tomor-orrow  
I don't want to sail with this ship of foo-ools, no no  
Oh-oh-oh, save me, save me from tomor-orrow  
I don't want to sail with this ship of foo-ools, no no  
I want to run and hide  
Right now - ri-ight now-ow yeah-eah-eah  
Avarice and greed are gonna drive you over the endless sea  
They will leave you-ou drifting in the shallows  
Drowning in the oceans of history-y-y-y  
Travellin' the world, you're in search of no good  
But I'm sure you're philosophic like I knew you would  
Using all the good people for your gallant slaves  
As your little boat struggles through the the warning waves  
But you will pay, you will pay tomorrow  
You're gonna pay tomorrow-ow-ow  
You gonna pay tomorrow-ow-ow-ow-wow-ow-ow-ow-ow-ow  
Save me-ee, save me from tomor-orrow  
I don't want to sail with this ship of foo-ools, no no no no  
Oh-oh-oh, save me-ee, save me from tomor-orrow  
I don't want to sail with this ship of foo-ools, no no no no  
Where's it comin' fro-om or where's it goin' to?  
It's just a - it's just a ship of foo-oo-oo-ah-ah-ah-ah-ah-ah-ah-ah-ah-ools  
Yeah, oh Lord

## Six Months in a Leaky Boat

When I was a young boy  
I wanted to sail around the world  
That's the life for me, living on the sea  
Spirit of a sailor, circumnavigates the globe  
The lust of a pioneer, will acknowledge  
No frontier  
I remember you by, thunderclap in the sky  
Lightning flash, tempers flare,  
'round the horn if you dare  
I just spent six months in a leaky boat  
Lucky just to keep afloat

Aotearoa, rugged individual  
Glisten like a pearl  
At the bottom of the world  
The tyranny of distance  
Didn't stop the cavalier  
So why should it stop me  
I'll conquer and stay free  
Ah c'mon all you lads  
Let's forget and forgive  
There's a world to explore  
Tales to tell back on shore  
I just spent six months in a leaky boat  
Six months in a leaky boat

Ship-wrecked love can be cruel  
Don't be fooled by her kind  
There's a wind in my sails  
Will protect and prevail  
I just spent six months in a leaky boat  
Nothing to it leaky boat.

## **New Soul Yael Naim**

**I'm a new soul  
I came to this strange world  
Hoping I could learn a bit bout how to give and take  
But since I came here, felt the joy and the fear  
Finding myself making every possible mistake**

**La, la, la, la (21x)**

**La, la, la, la (21x)**

**See I'm a young soul in this very strange world  
Hoping I could learn a bit bout what is true and fake  
But why all this hate? try to communicate  
Finding trust and love is not always easy to make**

**La, la, la, la (21x)**

**La, la, la, la (21x)**

**This is a happy end  
Cause you don't understand  
Everything you have done  
Why's everything so wrong**

**This is a happy end  
Come and give me your hand  
I'll take you far away**

**I'm a new soul  
I came to this strange world  
Hoping I could learn a bit bout how to give and take  
But since I came here, felt the joy and the fear  
Finding myself making every possible mistake**

**New soul... (la, la, la, la,...)  
In this very strange world...  
Every possible mistake  
Possible mistake  
Every possible mistake**

**Mistakes, mistakes, mistakes..**
